

INVOCATION FOR OPENING YOUR HEART

Upon this night, and under the stars and moon,
I call upon the celestial energies of the cosmos,
and the power of the earth below me to witness.

I stand here as a child of the universe.
a daughter of The Goddess,
and a seeker of wisdom.

I open my heart now to the path of my life's purpose,
I open my heart now to the path of my soul.
I open my heart now to the path of my destiny,
and I open my heart now to the path of wholeness.

Heart opened, mind calm, and spirit nourished,
I stand here as a child of the universe.
a daughter of The Goddess,
and a seeker of wisdom.
