

INVOCATION FOR THE NIGHT

In the dark of night I stand
alone, skyclad and waiting
with only the stars as my cover,
twinkling, flickering and ancient.

In my heart I am searching
for something that is wild, free and
shines like the light of the moon,
beautiful and sacred.

O vastness of night, speak to me.
O endless blackness, hear me.
O great heavens above, see me.

And, so it is!

* skyclad is a Pagan term that is used to mean naked, to be as you were born, with only your skin between you and the natural world.
